### 2024 CAREER DEVELOPMENT GRANTS IN AMERICAN MUSIC

Tuesday, August 27, 2024

Congratulations to this year's recipients of a **Career Development Grant in American Music!** The purpose of the grants are to support participation in annual meeting programming that deepens grantees' knowledge of American music and strengthens their professional networks. Grant recipients will participate in relevant activities at the upcoming AMS Annual Meeting in Chicago as part of a cohort of fourteen.

#### LAUREN BERLIN

Eastman School of Music

**Areas of Interest:** Media and dance studies from both of the Americas; musical diplomacy; theater and entertainment music in the US.

#### SHELINA BROWN

University of Cincinnati - College Conservatory of Music

**Areas of Interest:** Feminist hermeneutics and experimental vocal practices within American countercultural music scenes; emphasizing cultural exchange between Japan and the U.S.

#### THOMAS CIMARUSTI

Florida Gulf Coast University

**Areas of Interest:** Musical practices within intentional communities and the reception of European composers in the American concert hall; Moravian composers; musical practices of the Koreshans; musical traditions of Louisiana (ie., zydeco and cajun) and popular music

#### KAITLYN CLAWSON-CANNESTRA

University of Oregon

**Areas of Interest:** Film music; female composers, gender and sexuality studies; Disney studies

#### JACOB LABARGE

University of Maryland

**Areas of Interest:** American immigrant musical preservation (with a focus on Ukrainian American music) and cross-cultural connections

#### KOEUN GRACE LEE

Harper College Community Music and Arts Center

**Areas of Interest:** General musical trends in the U.S.; piano music in America; Ethnomusicology in America

#### SARAH LINDMARK

University of North Carolina at Chapel Hill

**Areas of Interest:** Popular music; improvised social dance; club cultures in the U.S.; disco; electronic music technologies; music and capitalism

#### MARVIN MCNEILL

Oxford College of Emory University

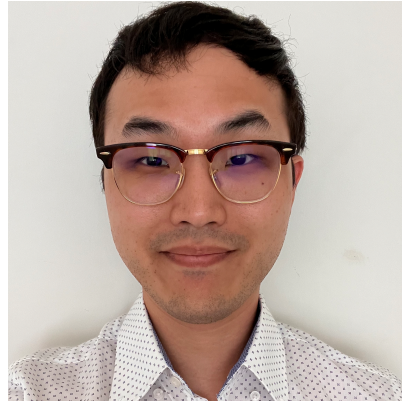

**Areas of Interest:** African American traditional folk and popular music, with a special interest in the African American band tradition; history of rock and R&B

#### ALEC NORKEY

University of California, Los Angeles

**Areas of Interest:** Contemporary classical music in the U.S.; African American music; Latin American music; Asian American music

#### ROBERT NORMANDIE

Claremont Graduate University and Mt. San Antonio College

**Areas of Interest:** The film and concert music of John Williams

#### REBECCA SCHREIBER

Xavier University

**Areas of Interest:** Nineteenth-century music and U.S. national identity; programmatic music and U.S. identity; women in U.S. music and social justice/activism

#### MINGYEONG SON

Asian Music Research Institute

**Areas of Interest:** American contemporary composers; Korean-American Music; American musicians' intercultural collaborative music making with Korean Musicians; American improvisational music

#### MATTHEW VAN VLEET

Indiana University

**Areas of Interest:** Musical Americanism in the twentieth century, especially in the context of military music; the marching arts; drum and bugle corps

#### JOHN WOOD

University of Oregon

**Areas of Interest:** Ecomusicology; automobiles; popular music; rock 'n' roll, political economy; labor
